

ADRIANA GONZAGA

Associate UI/UX Designer
and Front-end developer

As a recent career changer transitioning into the IT field as a UI/UX designer and front-end developer, I am excited to apply my fresh perspective and passion for innovation to create exceptional digital experiences

PROJECTS AND ACHIEVEMENTS

Vivendo na Europa

Personal website and blog

- Designed and developed a personal website/blog using ReactJS, featuring intuitive navigation and interactive elements, with a blog section for posting articles.

Travel Tasks | Todo list

- Designed and developed a responsive to-do list application in ReactJS and CSS, with features such as task management, allowing users to prioritize and specify the quantity.

Youtube Channel and Travel Vlogs

- Created a personal travel vlog YouTube channel, producing engaging videos featuring various travel destinations, and applying brand identity and video editing skills.

EDUCATION

2023 - Present | LSDM - London School of Design and Marketing

- BA (Hons) Design

2023 | Coursera Professional Certificate

- Meta Front-End Developer

2023 | Coursera Professional Certificate
